## ATTEMPTED SUICIDE

George Buckland Tries to End His Earthly Career.

Healy Transfer—A Grand Army Fraud—Fugitive Contest Tonight—General Cleanse.

Yesterday morning about 11 o'clock, a resident of West Ogden, George Buckland, formerly of Dayton, Nev., undertook to end his earthly troubles by the jack-knife route. Buckland is a well educated man and has a wife and three children. He procured a pocket knife that belonged to his daughter and with it cut a gash in his throat about an inch and a half long and three-quarters of an inch in depth, nearly severing the carotid artery and cutting off completely a number of smaller arteries.

Buckland has been a constant sufferer for several months from acute rheumatism. His limbs and lower extremities became paralyzed and he was compelled to take to his bed. He was perfectly rational at the time he committed the deed, and stated that he had been suffering from a failure of his attempt to end his own life, as his sufferings were almost unbearable.

The ugly gash in his neck was discovered by his daughter, who went nearly frantic over it.

Dr. J. M. Armstrong was summoned and attended to the wound, which, he pronounced as not being dangerous.

**Tonight's Contest.**  
The twenty-round pugilistic contest between McHugh, champion heavyweight of Wisconsin, and Freeman, the champion heavyweight of Idaho, will take place at the Utah Athletic club rooms at Five Points this evening for a purse of \$400. Both men have been in training since the contract was signed and are in excellent trim, and one determined to defeat the other. It will be a fight to a finish, and no fake about it.

A letter was received yesterday from Billy Woods, who is now in San Francisco, by George Morrison, and he offers to fight the winner of the contest tonight. Woods is the fellow who stood up with Henneey here two years ago.

W. Lawrence, United States postal inspector, on the charge of robbing the postoffice at that place on or about July 5 last.
